A telegram received in this city yester-day morning conveyed the sad but expected announcement of the death of our popular young townsman, Mr Julian W. He took his bed at once and, despite all that medical skill could do, he gradually weakened until the grim resper claimed him as its victim Mr. Bruce was the youngest son of the late Sidney Bruce, of Elberton, Ga., at which place he was born about 28 years ago, and where he spent his boyhood. About nine years ago he came to Anderson to accept a position as book-keeper in the Anderson Bank, and later was promoted to the position of assistant cashier, which position he held until his death. He was a most expert accountant, and in the discharge of his responsible duties he was zealous, courteous and ac-commodating—in short, a model official, with whom it was a pleasure to do business. The deceased was a most worthy, excellent young man, strictly upright bonorable and temperate, and we doubt i he had an enemy.
